## HALLMARK IS A BEST SELLER

Hallmark aspires to enrich people's lives and enhance their relationships everyday. They do this through their extensive greeting card range. We have just had our store card walls redone, and thanks to Hallmark this has proven to be a huge success. A new range that Hallmark has just released into all of our stores, is a beautiful range designed by an English artist, Lucy Cromwell. The range offers the timeless appeal of hand drawn watercolour illustrations, complemented with premium embossed stock and touches of glitter. This range will appeal to both our traditional customer and any flower lover.

## SAVE MONEY ON CARDS

Pick up a free Customer Appreciation Card and start saving money on your card purchases. Once you have bought seven cards, your eighth is free. It's as simple as that. No forms to fill in. No date restrictions. Just a valuable reward for buying your cards here at Sophie Randall. We have an excellent range of cards for all occasions – birthday, get well, new job, new home, sympathy, wedding, engagement, new baby or love.

Give a Sophie Randall card and make someone close to you feel good. Oh, and save money!
