

New WHS laws in coming in 2012 mean you need to have a compliance system in place!

- **Fines from \$300k to \$3 million from January 1<sup>st</sup> 2012**
- Breaches include jail for up to 5 years
- More defined duty of care and Newly imposed obligations
- Renewed terminology and Compliance requirements

The ANF have Partnered with Smart OH&S to deliver a solution for you.

**SMART WH&S is an online workplace safety system built for Newsagents. Keeping you updated, it shows you what you need to do and when for easy WH&S compliance in 15 minutes a week.**

### What do WE need Smart WH&S for?

- ✓ Don't Get fined – Your work cover agency WILL be doing AUDITS with NO Grace period from January 1<sup>st</sup>, 2012
- ✓ The new laws mean you need to have an WH&S system in place
- ✓ So EASY to use with full **FREE support** included
- ✓ **SAVES you time and confusion** – email reminders show you what to do
- ✓ Risk Rating shows you how you are performing.
- ✓ **FREE access** to every form and policy and procedure you need and **Legislative updates** in your own WH&S Member Area

**\$150\* for Members and \$399 per year for Non members,**

\* Members price reduces in 2<sup>nd</sup> year to \$99 per annum for all legislative and Manual Updates.
