

TOWER SYSTEMS FEBRUARY 2012 USER MEETING TOUR

2012 is a year of tremendous opportunity and we plan to help you achieve more thanks to fresh software backed by excellent support.

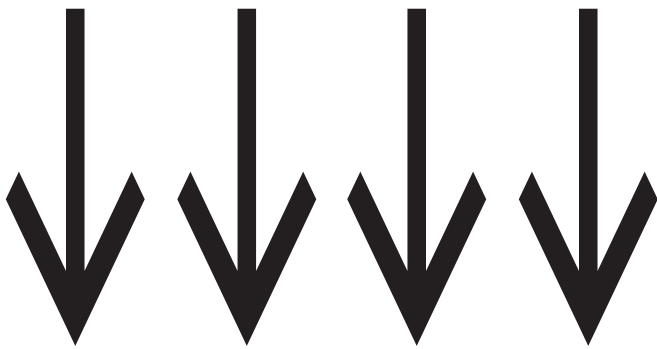

To find out about our major new software release, learn new tricks and tips about our software and get your questions answered come along to one of these meetings.

We will have management and technical people there to serve your needs.

To make the most from your Tower Systems relationship this year, get started by participating in one of our user meetings.
